# ENTRY CHECKPOINT & SEARCH

## ALCOHOL

The Buffalo Chip is a licensed establishment for serving alcohol in South Dakota. You will find bars scattered throughout the property where you can purchase on-sale and carry out alcohol. Because of this it is illegal to allow guests to bring alcohol onto the premise and we ask that you check anything you bring with you upon entry. You may pick it up when leaving.

## FIREARMS

We respect the rights of all Americans to keep and bear arms. South Dakota is a constitutional carry state and does not require a concealed weapons permit. However, for the safety of all of our guests we ask that you check your firearm at the gate and pick it up on departure.

# CAMPING AT THE CHIP

Check in at the Cabin Management Office if you've rented a cabin or EZ camp.

## RECREATIONAL VEHICLES

A parking attendant WILL ESCORT YOU to your assigned space. Everything must be set up within the boundaries of your site.

**MAKE YOUR CAMPSITE YOUR OWN!**

## PUMP-OUT SERVICES - ACROSS FROM THE WATER TOWER

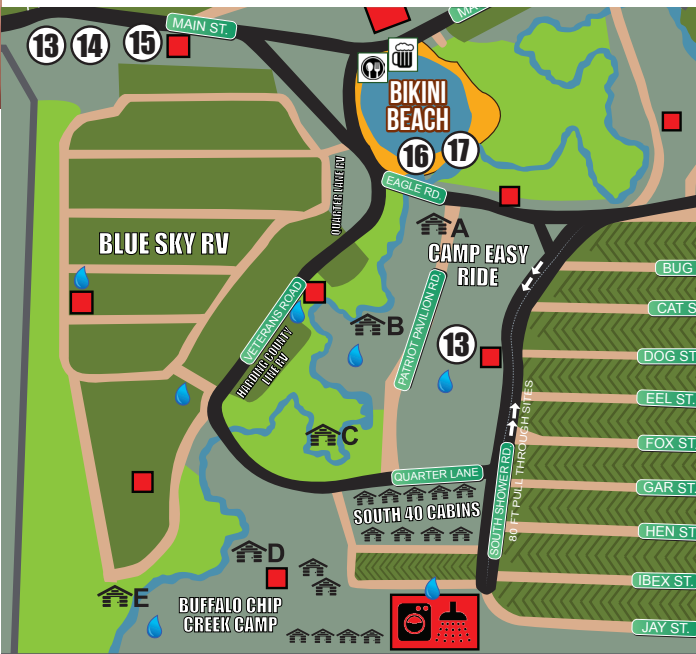

If you are planning to stay with us for a few days, then chances are at some point you'll need to dump your RV tanks. Visit our on-site sanitation services and they'll get your poop in a group. Pump out may be purchased in advance as well.

Check out our website for more information.

# RIDE-IN/WALK-IN CAMPING

The Buffalo Chip offers designated areas for tents that are ride-in/walk-in only. Camp among the trees in special shaded areas. Motorcycles are allowed in those areas. *These areas are first come, first served.*

## REAP THE REWARDS OF TRAVELING LIGHT TO STURGIS.

# CONCERT GUIDE

## RESPECTFUL CONCERT ATTENDANCE

1. There will be times when bikes aren't allowed in the amphitheater.
2. There will be times when a limited number of bikes are allowed in the amphitheater.
3. It is a Buffalo Chip tradition for members of the audience to rev their engines as part of the applause. This privilege may change at any time. Out of respect for your fellow concert goers, please keep off your throttle until the song or concert has concluded. Come on.

Revvng engines during the performance of a song is discourteous to the rest of the audience who is there to see and hear the performance, not to mention the performers who are there to entertain the crowd. Anyone revving an engine during performance of a song must either surrender their keys until after the performance or leave the amphitheater.

# CAMPGROUND AMENITIES

The Buffalo Chip is a full-service campground and entertainment venue offering an assortment of amenities and services to make your stay the best one possible. See the map to locate the following services.

## GENERAL STORE

Located inside the amphitheater, the General Store is open 24 hours and offers a variety of products for campers. From condoms to toothpaste, this is where you go when you realize you've forgotten something small at home.

## CARRY-OUT BEER

While it is against the law to bring alcohol through the gates, we'll make sure you don't go thirsty once you're inside. Visit either of the two Beer and Ice shacks to pick up everything you need to enjoy some quality time at your campsite.

## LAUNDRY FACILITIES

The Chip offers two options for dealing with your dirty laundry:

**Coin-Operated** - Take advantage of our coin-operated, self-serve laundry rooms if you want to throw in a few loads and fold them yourself.

OR

**Drop Off & Pick Up Service** - If you want someone else to take care of your laundry for you, drop your laundry off at the Laundry Vendor, and they will bring your unmentionables back to you cleaned, pressed and ready to shed at a moment's notice.

## RV PUMP & DUMP

If you are planning to stay with us for a few days, then chances are at some point you'll need to dump your RV tanks. Visit our on-site sanitation services and they'll get your poop in a group. Pump out may be purchased in advance as well.

Check out our website for more information.

## FREE SHOWERS

There are a few different options to keep yourself clean while partying at the Chip. The North and South Shower Houses are free for all guests at any time on a first-come, first-served basis.

## VENDOR SHOWERS

For a more private shower experience, you can visit the Vendor Showers. For a small fee, you can expect shorter lines and more modern facilities. You can also pre-purchase passes on our website.

## INFORMATION

The Sturgis Rally Information Center™ is open daily at the CrossRoads to provide you with information about the campground, entertainment or sightseeing. Feel free to stop by and say hello to our concierge and pick up a free prize courtesy of the Sturgis Rider Friendly Establishment® program. Here, you'll also find your welcome packet when you register for the Sturgis.com Official Sturgis Rally Registration.

## GAS STATION & PROPANE

Fill up your gas and propane tanks at the Buffalo Chip Stop & Fuel near the corner of Russ Brown Blvd and Flag Ave. This self-service gas station offers 93-octane fuel for less than standard octane year-round! If you need to fuel up before hitting the road, you won't find a better price nearby, and you can't beat the convenience! During the Sturgis Rally, McGas Propane will also be on hand to fill up your propane tanks.

Get your propane fill from Aug. 4-12 (M-F: 8-5 and Sat/Sun: 8-4).

## EMT

If you have a medical emergency or need immediate help alert security or visit one of these locations as quickly as possible.

See map in centerfold for locations.

# STURGIS RIDER<sup>®</sup> TIPS

If you haven't ever spent time in South Dakota during the summer months, you may not expect the drastic and rapid changes in weather patterns you can experience here.

## SOUTH DAKOTA WEATHER

Woody has always warned people that the wind is going to blow 100 MPH for 2 minutes, and it is likely to rain 2 inches, possibly within the same 2 minutes. You need to be ready for those two minutes or it will screw up the rest of your vacation.

### THESE TIPS WILL HELP YOU BE BETTER PREPARED FOR MOTHER NATURE.

1. Pack a full set of rain gear. When you're out riding, keep an eye on the radar and look out for possible cover in the event of hail or heavy rains.
2. Prepare your camp for the possibility of rain and high winds before leaving it for the day. Secure items that could easily blow away, and put personal items under cover.
3. If you are tent camping, bring a tarp and extra stakes to put over your tent to keep valuables dry. Consider collapsing it if high winds are projected.
4. Pay attention to the sky. Ugly looking clouds could mean large hail that could be extremely dangerous.

# PRICE-CONSCIOUS TIPS

## MAKE THE MOST OF YOUR VACATION AT THE BUFFALO CHIP

### 1. THE EARLIER YOU BOOK, THE CHEAPER IT IS.

Plain and simple. Many guests book for the following year as soon as the rally is over. Price phases end incrementally throughout the year as bands are confirmed, so don't hesitate when you decide you're going to make the trip.

### 2. MEAL PLANS

The Stage West Cafe offers meal plans tailored to your needs. You can save a lot of cash by buying a plan before you come. You can purchase these packages in advance at [BuffaloChip.com/Reservations](http://BuffaloChip.com/Reservations). We recommend you leave room for one day to check out some of our delicious food vendors though.

### 3. DRINK SPECIALS

There are many of them. Search them out at Woody's Watering Hole (\$1 drafts and dogs), CrossRoads, The Rat's Hole, Club Chip, Bikini Beach and don't forget the Monster Bomb special is everywhere. There's no excuse for not throwing back a cool one at unheard of prices.

### 4. THE GENERAL STORE IN THE AMPHITHEATER CAN PROVIDE YOU WITH PRETTY MUCH ANYTHING YOU NEED.

So skip the hassle and the wasted hours of going into town and just head down to the General Store.

### 5. FREE PANCAKE BREAKFAST

Get them fresh off the griddle every morning at the Sons of Light tent just inside the fence at the west end of the campground.

Sign up for our email newsletter to get all the news and updates about what's going on at the Sturgis Buffalo Chip®. Follow us on social media for even more great content.

## STAY CONNECTED ALL YEAR LONG!

# CAMPGROUND POLICIES

## TRAFFIC POLICY

All 4-wheel vehicles **MUST ENTER the campground BEFORE 7:30 p.m.** and must stay on roadways when traveling. They must remain parked from 7:30 p.m. until dawn. The campground is a busy place, and safety is of the highest priority. Motorized traffic after 7:30 p.m. within the campground is restricted to motorcycles, trikes and small recreational vehicles. Authorized service and emergency vehicles are the sole exceptions. Failure to comply could result in having your vehicle permanently removed from the campground.

## ALCOHOL AND DRUGS

***NO ONE UNDER 21 YEARS OF AGE CAN POSSESS OR CONSUME ALCOHOL ANYWHERE ON GROUNDS OF THE STURGIS BUFFALO CHIP® CAMPGROUND.***

No adult is allowed to provide alcohol to anyone under 21. Violators will be removed from the campground without refund and are subject to arrest. Fake IDs will be seized and violators will be reported for prosecution.

South Dakota state law prohibits the consumption of alcohol on any licensed premises other than upon the licensed premises where the alcohol was purchased. In other words, it's illegal to enter the Chip with alcohol or drink alcohol at the Chip if it was not purchased here.

Drugs are illegal and are not allowed on the Buffalo Chip premises, unless you have a valid prescription.

Marijuana: Cannabis in South Dakota is legal for medical use as of July 1, 2021. However, South Dakota does not have medical marijuana reciprocity, and so does not recognize out-of-state medical marijuana cards.

## FIRE AND FIREWORKS

Pursuant to Meade County Ordinance #27, it is illegal for any person to ignite any fireworks or to have an open fire. To be able to grill for cooking, be sure your equipment falls into one of these two categories:

- 1) Liquid-fueled grill, meaning a metal or stone device designed to cook food using liquefied or gaseous combustible fuel;
- 2) A charcoal grill, meaning a metal or stone device within a firebox not resting on the ground with a metal grate designed to cook food using charcoal briquettes, char wood, or similar fuel.

## GLASS BOTTLES

Glass bottles are not allowed or sold inside the campground.

## CHILDREN

The Chip is a lot of fun, but the campground really isn't a place for children. We ask that you not bring under-aged children when you visit. A legal waiver signed by the parent is required for any child camping at the Chip, and they must be accompanied by an adult at all times.

## PETS

For the safety of pets and in consideration of other campers, you'll need to make arrangements for your pets to stay home or board them locally while you're at the Chip. We can't make exceptions, even if your pet knows how to fetch you a beer, but we would be happy to recommend a few good kennels.

## WEATHER

The weather can change quickly and with little notice. Please be prepared if you are camping and bring tarps, plastic sheeting or whatever you need to remain comfortable during a summer rainstorm. Inclement weather may cause a temporary delay or even a cancellation of some or all entertainment.

No refunds will be issued due to delays, non-performance or cancellations due to weather or any other reason.

## EMERGENCY PROCEDURES

Report any problems to security personnel immediately. They will do their best to resolve campground issues as soon as possible. Problems will be addressed in the order in which they are reported.

**CALL DISPATCH AT 605-720-7938**

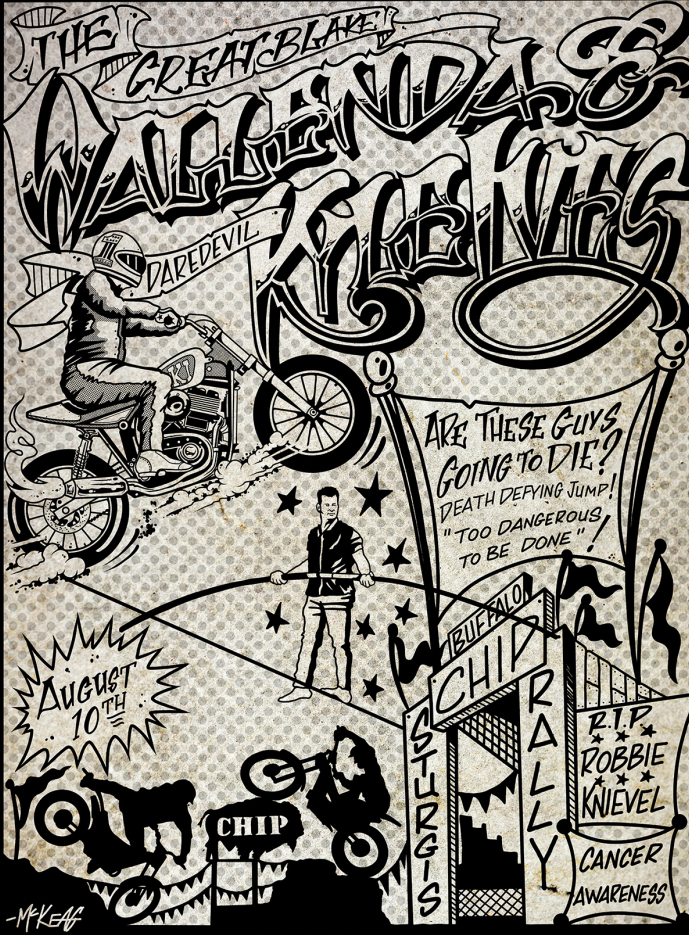

## LOST AND FOUND

If you have misplaced any of your personal belongings while you are staying with us, we have a Lost and Found located at the Buffalo Chip's Main Office. Items that are found around the campground are eventually gathered at this final lost and found location, so be sure to check before you leave if you didn't find it the first time.

## ADA POLICIES & PROCEDURES

Accessible Camping is available to those with a state-issued sticker. Accessible Parking is available near the East Box Office for attendance of concerts and activities in the amphitheater only to those with a state-issued sticker. All other golf carts and four-wheeled vehicles are prohibited from the amphitheater. Assistance is available upon request at the main gate or box office.
