This includes killer contests, ride-in custom bike shows, wild party antics, major live events and more.

ENTRY CHECK-IN

WRISTBANDS

You must wear a wristband on your **right wrist** (throttle hand) at all times while inside the venue. If your wristband shows signs of breaking, you must bring it to either box office for immediate replacement **BEFORE IT BREAKS OFF. DETACHED WRISTBANDS WILL NOT BE REPLACED.**

ALCOHOL

The Buffalo Chip is a licensed establishment for serving alcohol in South Dakota. You'll find plenty of bars across the property where you can buy drinks to enjoy there or to take with you. Since it's illegal to bring outside alcohol onto the premises, we'll need you to check any drinks at the entrance. Don't worry, you can pick them up on your way out.

FIREARMS

We respect the rights of all Americans to keep and bear arms. South Dakota is a constitutional carry state and does not require a concealed weapons permit. However, for the safety of all of our guests we ask that you check your firearm at the gate and pick it up on departure.

CAMPING AT THE CHIP

RIDE-IN/WALK-IN CAMPING

The Buffalo Chip offers designated areas for tents that are ride-in/walk-in only. Camp among the trees in special shaded areas. Motorcycles are allowed in those areas. ***These areas are first come, first served.***

RECREATIONAL VEHICLES

A parking attendant WILL ESCORT YOU to your assigned space. Everything must be set up within the boundaries of your site.

CABINS

Check in at the Cabin Management Office if you've rented a cabin.

CAMPGROUND AMENITIES

PUMP-OUT SERVICES

ACROSS FROM THE WATER TOWER

If you are planning to stay with us for a few days, then chances are at some point you'll need to dump your RV tanks. Visit our on-site sanitation services and they'll get your poop in a group. Pump out may be purchased in advance as well.

Check out our website for more information.

FREE SHOWERS

There are few different options to keep yourself clean while partying at the Chip. The North and South Shower Houses are free for all guests at any time on a first-come, first-served basis.

VENDOR DELUXE SHOWERS

For a more private shower experience, you can visit the Vendor Showers. For a small fee, you can expect shorter lines and more modern facilities. You can also pre-purchase passes on our website.

LAUNDRY FACILITIES

Take advantage of our coin-operated, self-serve laundry rooms if you want to throw in a few loads and fold them yourself.

Located inside the amphitheater, the **General Store powered by Walmart Business** offers a variety of products for campers.

From condoms to toothpaste, this is where you go when you realize you've forgotten something small at home.

PROGRESS

CONCERTS @ THE CHIP

RESPECTFUL CONCERT ATTENDANCE

We normally allow a limited number of bikes but ***there will be occasions when bikes are not permitted in the amphitheater.***

Revving engines as applause is a Buffalo Chip tradition, but please save it for after the performance. Revving during a song disrupts the experience for others and the performers. If you rev during a song, you'll either need to surrender your keys until the end or leave the amphitheater.

PROHIBITED ITEMS

No large bags, backpacks, coolers, or beverages you've purchased outside the amphitheater.

ADA CONCERT VIEWING

ADA concert viewing will be in an ADA designated area. After receiving their sticker from the box office, they will be directed to the ADA area.

CAMP ZERO is the launch site for raising hell and rallying like the old days—a place where you can party like 1981 animals who love rad bikes and wild parties.

If you're down with a little dirt and debauchery, you're invited - No wristband required.

With friends, an on-site bar, a handful of community Coleman mini bikes (aka Smile Makers), you'll have everything you need to party, rinse and repeat.

CAMPGROUND AMENITIES

The Buffalo Chip is a full-service campground and entertainment venue offering an assortment of amenities and services to make your stay the best one possible. See the map to locate the following services.

INFORMATION

The Sturgis Rally Information Center™ is open daily at the Crossroads to provide you with information about the campground, entertainment or sightseeing. Feel free to stop by and say hello to our concierge and pick up a free prize. Here, you'll also find your welcome packet when you register for the Sturgis.com Official Sturgis Rally Registration.

CARRY-OUT BEER

While it is against the law to bring alcohol through the gates, we'll make sure you don't go thirsty once you're inside. Visit either of the two Beer and Ice shacks to pick up everything you need to enjoy some quality time at your campsite.

GAS STATION & PROPANE

Fill up your gas and propane tanks at the Buffalo Chip Stop & Fuel near the corner of Russ Brown Blvd and Flag Ave. This self-service gas station offers 93-octane fuel for less than standard octane year-round! If you need to fuel up before hitting the road, you won't find a better price nearby, and you can't beat the convenience! During the Sturgis Rally, McGas Propane will also be on hand to fill up your propane tanks.

Get your propane fill from Aug. 2-11 (M-F: 8-5 and Sat/Sun: 8-4).

EMT

If you have a medical emergency or need immediate help alert security or visit one of these locations as quickly as possible.

See map in centerfold for locations.

CAMPGROUND POLICIES

TRAFFIC POLICY

All 4-wheel vehicles **MUST ENTER the campground BEFORE 7:30 p.m.** and must stay on roadways when traveling. They must remain parked from 7:30 p.m. until dawn. The campground is a busy place, and safety is of the highest priority. Motorized traffic after 7:30 p.m. within the campground is restricted to motorcycles, trikes and small recreational vehicles. Authorized service and emergency vehicles are the sole exceptions. Failure to comply could result in having your vehicle permanently removed from the campground.

ALCOHOL AND DRUGS

No adult is allowed to provide alcohol to anyone under 21. Violators will be removed from the campground without refund and are subject to arrest. Fake IDs will be seized and violators will be reported for prosecution.

South Dakota state law prohibits the consumption of alcohol on any licensed premises other than upon the licensed premises where the alcohol was purchased. In other words, it's illegal to enter the Chip with alcohol or drink alcohol at the Chip if it was not purchased here.

Drugs are illegal and are not allowed on the Buffalo Chip premises, unless you have a valid prescription.

Marijuana: Cannabis in South Dakota is legal for only medical use. However, South Dakota does not have medical marijuana reciprocity, and so does not recognize out-of-state medical marijuana cards.

FIRE AND FIREWORKS

Pursuant to Meade County Ordinance #27, it is illegal for any person to ignite any fireworks or to have an open fire. To be able to grill for cooking, be sure your equipment falls into one of these two categories:

- 1) Liquid-fueled grill, meaning a metal or stone device designed to cook food using liquefied or gaseous combustible fuel;
- 2) A charcoal grill, meaning a metal or stone device within a firebox not resting on the ground with a metal grate designed to cook food using charcoal briquettes, char wood, or similar fuel.
